

Catholic Schools Week 2021

Faith • Excellence • Service

Dear St. Bruno Families,

The theme for Catholic Schools Week this year is *Faith, Excellence and Service*. We will have many fun activities for our Trailblazers to engage in during Catholic Schools Week that highlight these pillars of Catholic Education.

As part of a schoolwide service project, and to help our 7th and 8th graders fulfill their service hours for Confirmation, we are making care packages for our Seniors Club who met in our school cafeteria.

We are asking each student to donate one item that will be placed in a bag and delivered to our Seniors. We want to remember our Seniors Club during this time.

Please read through the list and donate the item assigned to your child's grade by Thursday, February 4th.
